### **PilotMall.com, Inc Announces December Fly-In to South Bimini, Bahamas**

St. Petersburg, FL – November 11, 2011 - PilotMall.com, Inc. today announced the official date for the 2011 Bahamas Pilot Challenge Fly-In to South Bimini, Bahamas. The Fly-In will be taking place Friday, December 9, 2011 through Sunday, December 11, 2011 and will be held in conjunction with the annual LSA Fly-In. Departing locations will be from both Albert Whitted Airport (KSPG) in St. Petersburg and Miami's Opa-Locka Executive Airport (KOPF) to South Bimini (MYBS) a distance of just 50 nm from the US.

The hotel of choice for this fly-in will be the Bimini Sands Resort and Marina; they can be reached at 242-347-3500 to reserve a room from \$162.50 per night. This property offers beautiful condominiums that are fully furnished, including a living room, full service kitchen and breathtaking views. Plans are already underway for a snorkeling trip to the wreck of Sapona, a pub crawl to North Bimini, as well as the announcement of the first winner of the 2011 Bahamas Pilot Challenge! With so many exciting activities and the beautiful scenery that Bimini has to offer this will surely be a fly-in to remember.

The 2011 Bahamas Pilot Challenge launched at the beginning of this year, challenging pilots to fly to twelve of the twenty airports of entry throughout 2011. Each pilot that has completed the challenge has been entered in a drawing to win an eight night stay in the Bahamas, along with other amazing prizes. This program is the first of its kind and with this year's success PilotMall.com will be launching a 2012 Bahamas Pilot Challenge and hope to see even more pilots rise to the challenge.

"As the first Bahamas Pilot Challenge comes to a close, we are excited to announce the winners of the spectacular prizes" said PilotMall.com President Neil Glazer. "What better way to complete this year's challenge than an adventure-filled fly-in to Bimini?"

PilotMall.com expects this to be a highly attended event due to the fun-filled activities, and who wouldn't want to fly to the Bahamas in December? As always, PilotMall.com staff will be available to assist with eAPIS registration and flight planning for those unfamiliar with the procedures.
